

# Fahad Bilal Mughal

## Web Developer

Hi there! I am a Web Developer with 3+ years of experience in designing websites using HTML5, CSS3, JavaScript, and WordPress and now getting a grip on ReactJs, Tailwind, and Azur. I also have hand on experience regarding MYSQL, Github, and Website Deployment. I create, update, optimize and modify websites and E-commerce Stores according to the needs of my employers and customers. I would love to join a thriving and hard-working team to pursue a new role. Thank You!
